Welcome to Pre-school

Welcome back! The children have had a great first few weeks in their new class! We have been busy using all of the areas in the classroom as well as getting used to the routines of the day! We are really proud at home well the children have settled in. They look very smart in their uniforms.

Parent communication

We will use ClassDojo to post information about things personal to our class. Please set up notifications for this app or check it regularly.

The MyChildAtSchool app is where you will receive notifications of first aid incidents and whole school messages. It is a replacement for our previous text messaging service. Again, please set up notifications on the app or check it regularly.

Tapestry

We will be using the Tapestry app to log your children's learning. We also ask you to upload pictures and comments as much as possible!

If you haven't got log in details already, then please let us know.

If you need any more information on this please speak to one of the team.

PE & Earrings

Please make sure your child has a PE kit that stays in nursery. Our PE sessions are on Thursdays. Most importantly – please ensure PE bags, clothes and pumps have your child's name on!

No earrings can be worn on PE days.

Coats

We go outside every day. If the weather is hot, cold or wet children will have the opportunity to go outdoors! Please ensure that children bring an appropriate coat with a hood into school each day.

Wellies

Please bring a pair of clearly labelled wellies in for your child to keep at school during the year.

Home Time

If a different family member than usual is collecting your child, please phone the school office or let the staff member at the door in the morning know,

IMPORTANT

Your children look so smart in their new uniforms and it would be shame for any to go missing. Please put your child's name clearly in every item of clothing – even shoes, coats and bags!

Spare Clothing

Accidents happen from time to time. Please ensure your child has spare underwear, clothes and baby wipes in a small bag. This is so staff can change your child into clothes they are familiar with. Please provide these items even if your child is toilet trained as they may need to be changed after getting wet in the water tray or muddy in the outdoor kitchen.
